

2021 Strength Finder for MUPY's Sophomore

November 6, 2021

On November 6, 2021, from 01.00 p.m. to 04.00 p.m., MUPY's Division of Student Affairs led by Asst. Prof. Dr. Luerat Anuratpanich, the Deputy Dean for Student Affairs and Quality Development, along with 16 advisors of second-year students, and staff of the Division arranged the project called "2021 Strength Finder for MUPY's Sophomore" via the Cisco Webex Meetings platform. There were 70 undergraduate students who joined this online event. The purposes of this project were 1) to get to know the second-year students, 2) to introduce about university life, 3) to advise about an adaptation of learning and personality development, 4) to build the connection among them in order to support them when facing problems, and 5) to develop students' competency. In addition, this activity helped support Sustainable Development Goals (SDGs) including Goal 4: Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all, and Goal 10: Reduce inequality within and among countries.
