

MUPY Chitchat 2021

November 13, 2021

On November 13, 2021, from 09.00 a.m. to 01.00 p.m., the Pharmacy Student Association in collaboration with MUPY's Division of Student Affairs organized the project called 'MUPY Chitchat 2021' via the Cisco Webex Meetings. There were 130 undergraduate students who joined this online event. The purposes of this online session were to 1) allow the 1st-year and 2nd-year students to get to know each other as they have never met in person due to the pandemic, and 2) provide a networking session for the students to get to know their seniors, resulting a strong relationship between undergraduate students. In addition, this activity helped support Sustainable Development Goals (SDGs) including Goal 4: Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all, and Goal 10: Reduce inequality within and among countries.
