

KM on Do and don't in scientific publication and ethical issues

December 1, 2021

On December 1, 2021, from 1 p.m. to 4 p.m., MUPY's Division of Research and Innovation Administration organized the research KM on the topic of 'Do and don't in scientific publication and ethical issues.' The KM was arranged at Room 401 and was live-streamed via the Cisco Webex Meetings Program. In this regard, Prof. Dr. Leena Suntornsuk was a speaker and facilitator of this KM to share experiences and knowledge on this relevant topic. There were more than 20 people who participated in this activity. The purposes of this KM activity were to encourage the staff to be able to exchange their knowledge and experiences as well as to foster international publication. Moreover, this KM also supports SDGs 4: Quality Education and SDGs 8: Decent Work and Economic Growth.
