

Workshop on Personality Development and Job Interview Techniques

December 11, 2021

On December 11, 2021, from 01.00 p.m. - 05.00 p.m., MUPY's Division of Student Affairs hosted a special lecture on the topic of 'Personality Development and Job Interview Techniques'. This online workshop was delivered by MUPY's alumni (Rx27) as invited speakers including Ms. Peerawan Wattanamethawong and Mr. Phurithat Wongphuttipong. Regarding this, MUPY's Dean, Assoc. Prof. Surakit Nathisuwan presided over the event and greeted the speakers. This online talk show was virtually attended by more than 100 6th-year undergraduate students. This special talk aimed to equip undergraduate students in terms of personality development as well as job interview techniques from real experiences. This would help develop students' professional skills and strengthen their potential for a future career. Additionally, this online activity could maintain the bond between MUPY's students and MUPY's alumni. In addition, this activity helped support Sustainable Development Goals (SDGs) in terms of Quality Education to ensure inclusive and equitable quality education and promote lifelong learning opportunities for all.
