

Partnership with JWD Health Connex Co., Ltd.

January 11, 2022

On January 11, 2022, at 02.00 p.m., MUPY's executives led by the Dean, Assoc. Prof. Surakit Nathisuwan, together with the Deputy Dean for General Administration, Assoc. Prof. Dr. Montree Jaturanpinyo, hosted a reception for the delegation from JWD Health Connex Co., Ltd. They visited the Faculty of Pharmacy to attend the MOU signing ceremony between two institutions. □□□□ This collaboration aimed to elevate medical and professional services as well as carry out a collaborative research project to produce a guideline for private sectors to utilize and develop relevant products and services to increase competitiveness at the international level. The prospective activities of this MOU included a training program to upskill medical and healthcare professionals to support healthcare supply chain and logistics, utilization of DIC and MPIC to support the completeness of logistic system, and a further research study to develop a Healthcare Service Model. □□□□ Besides, this partnership also corresponded to the Faculty's missions as well as SDG Goals including the 3rd Goal: Ensure healthy lives and promote well-being for all at all ages, the 8th Goal: Promote sustained, inclusive, and sustainable economic growth, full and productive employment and decent work for all, and the 10th Goal: Reduce inequality within and among countries.
