

## KM Meeting on Bringing a Laboratory Research to Private Sectors

January 26, 2022

On January 26, 2022, from 2 p.m. to 4 p.m., MUPY's Division of Research and Innovation Administration organized the research KM on the topic of 'Bringing a Laboratory Research to Private Sectors' which was delivered by an invited speaker, namely Dr. Ukrit Angkawinitwong. The KM meeting was arranged in Room 401 and was live-streamed via the Cisco Webex Meetings Program. This KM session aimed to share experiences and knowledge on this relevant topic. There were more than 20 people who participated in this activity. The purposes of this KM activity were to encourage the staff to be able to exchange their knowledge and experiences as well as to foster international publication. Moreover, this KM also supports SDGs 4: Quality Education and SDGs 8: Decent Work and Economic Growth.
