

## The 2021 Pharmacy Event Contest

March 16, 2022

On Wednesday, March 16, 2022, at 01.00 p.m. – 04.00 p.m., MUPY Student Association hosted the Pharmacy Event Contest for the 2021 academic year via the Microsoft Teams platform. In this regard, the Deputy Dean for Student Affairs and Quality Development, Assist. Prof. Dr. Luerat Anuratpanich, gave a warm opening speech to the contest. The contest was also lived via Facebook Fan Page to all participants. Having been supervised by Assist. Prof. Supatat Chumnumwat, the event consisted of two main parts including 1) The Patient Counseling Event (PCE) in both English and Thai language for 4th-year and 5th-year students, and 2) Pharma Quiz for 2nd-year – 4th-year students. The purposes of this Contest event were to encourage all of the undergraduate students who had participated in this event to practice the patient counseling and interviewing skills, adapt the professional knowledge for their career, as well as academically prepare for the professional license examination in the future. The students who organized this event also practice their teamwork and collaboration skills for their future careers. Furthermore, this activity responded to SDG's Goal 4: Reduce inequality within and among countries, and the 10th Goal: Reduce inequality within and among countries.
