

Special Lecture by Professor from University of Glasgow, UK

September 28, 2022

On Wednesday, September 28, 2022, from 01:00 p.m. – 04:00 p.m., the Graduate Program in Health Technology Assessment (MU-HTA) organized a special lecture entitled “HTA and Reimbursement Decision in the UK” delivered by Prof. Dr. Olivia Wu, the Director of the Health Economics and Health Technology Assessment (HEHTA) Unit, University of Glasgow, United Kingdom. On this occasion, Assoc. Prof. Dr. Usa Chaikledkaew, the Deputy Dean for International and Public Relations, and the Program Director gave an opening speech for this special lecture. This hybrid lecture took place at the Lecture Hall 202, Debaratana Building and was also broadcasted via the Zoom platform to more than 30 audiences including academic staff, researchers, and graduate students.□□□□In addition, this activity responded to SDG’s 4th Goal: Reduce inequality within and among countries, 10th Goal: Reduce inequality within and among countries, and 17th Goal: Partnership for the Goals to strengthen the means of implementation and revitalize the global partnership for sustainable development.□□
