

Exchange student from Chiba University, Japan

October 6, 2022

On September 1, 2022, Assoc. Prof. Dr. Usa Chaikledkaew, the Deputy Dean for International and Public Relations, together with Mr. Amporn Songkasiri hosted a warm welcome for Mr. Shiryu Takemoto, a graduate student from Japan's Graduate School of Pharmaceutical Sciences, Chiba University. He participated in a professional training program focusing on manufacturing pharmacy under a supervision of Assoc. Prof. Dr. Satit Puttipipatkachorn at the Manufacturing Pharmacy Department from October 6, 2022 until November 6, 2022. Furthermore, this exchange program supported the Faculty's Missions in terms of serving as the portal for professional services that encompasses drugs, herbal medicine, cosmetics and dietary supplement to support the sustainable development of the nation. It also responded to the SDG's Goal 4th: Reduce inequality within and among countries, Goal 10: Reduce inequality within and among countries, and Goal 17th: Partnership for the Goals to strengthen the means of implementation and revitalize the global partnership for sustainable development.
