

## Faculty members participated in a clinical pharmacy workshop

October 29, 2022

On October 28-29, 2022, MUPY's faculty members including Asst. Prof. Supatat Chumnumwat, Assistant Dean for Academic Affairs, and Asst. Prof. Jennis Meanwatthana participated in the workshop entitled "Clinical Pharmacy in Cancer Supportive Care" hosted by Dr. Cipto Mangunkusumo National General Hospital at the Lumire Hotel & Convention Center in Indonesia's Jakarta. In the workshop, Asst. Prof. Supatat Chumnumwat was a speaker in the topic of How to interpret and apply data from cancer clinical trials to patient care: a pharmacist's perspective. Also, the topic of Asst. Prof. Jennis Meanwatthana was "Cancer Supportive Care". This workshop aimed to increase the pharmacists' professional skills in terms of a patient care for cancer. Furthermore, this activity supported the Faculty's Missions in terms of serving as the portal for professional services that encompasses drugs, herbal medicine, cosmetics and dietary supplement to support the sustainable development of the nation. It also responded to the SDG's Goal 3rd: Ensure healthy lives and promote well-being for all at all ages, Goal 10th: Reduce inequality within and among countries, and Goal 17th: Partnership for the Goals to strengthen the means of implementation and revitalize the global partnership for sustainable development.
