

## Public Lecture delivered by a Professor from Philipps University of Marburg, Germany

November 3, 2022

On November 3, 2022, from 02:00 p.m. - 04.00 p.m., the executives of the Faculty of Pharmacy, Mahidol University including Assoc. Prof. Surakit Nathisuwan, the Dean, along with Assoc. Prof. Dr. Usa Chaikledkaew, the Deputy Dean for International and Public Relations, Assoc. Prof. Dr. Doungdaw Chantasart, Deputy Dean for Research and Innovation, Prof. Dr. Varaporn Junyaprasert, and Asst. Prof. Dr. Veerawat Teeranachaideekul provided a warm welcome to a guest speaker, namely Prof. Dr. Cornelia M. Keck, from the Philipps University of Marburg, Germany. She visited the Faculty of Pharmacy to discuss future collaboration both in academic and research aspects. She also conducted a special lecture in the topic of “Nanotechnology for Dermal Delivery” to faculty members, researchers, and graduate students. In addition, this activity corresponded to the Faculty’s missions in terms of internationalization. It also responded to SDG’s 4th Goal: Reduce inequality within and among countries, 10th Goal: Reduce inequality within and among countries, and 17th Goal: Partnership for the Goals to strengthen the means of implementation and revitalize the global partnership for sustainable development.
