November 23, 2022

On November 23, 2022, from 01.00 p.m. to 03.30 p.m., MUPY's Division of Graduate and Postgraduate Studies arranged the 'Meet my Friend' Event at the Room 316. The event was presided over by Asst. Prof. Dr. Bromptoj Prutthiwanasan, the Deputy Dean for Graduate Studies, who gave a warm welcoming speech to seventeen participants who were MUPY graduate students. This event provided an opportunity to the students to establish new friendship among them while studying at the Faculty of Pharmacy. It also aimed to introduce new graduate students to the current ones. In this event, the students could share and exchange their relevant information and experiences regarding educational experiences, campus life, living in Thailand, and so on. Furthermore, this event responded to the students' voice (VOC) as the graduated ones suggested the Faculty to organize this kind of activity while they study on campus. In addition, it responded to SDG's Goal 4: Reduce inequality within and among countries, and Goal 17: Partnership for the Goals to strengthen the means of implementation and revitalize the global partnership for sustainable development.
