

MUPY joined the Signing Ceremony of MoU between MUHTA Program and NHIA of Ghana

December 14, 2022

On Wednesday, December 14, 2022, the Faculty of Pharmacy, Mahidol University's executive led by Assoc. Prof. Usa Chaikledkeaw, the Deputy Dean for Public and International Relations and the Program Director of Mahidol University Health Technology Assessment (MUHTA), together with Prof. Dr. Ammarin Thakkestian, Co-Director for the Doctor of Philosophy Program, and Assoc. Prof. Dr. Montarat Thavorncharoensap, Co-Director for the Master of Sciences, along with the staff and members of MUHTA Program joined and witnessed the Signing Ceremony of Memorandum of Understanding (MoU) between the National Health Insurance Authority (NHIA) of Ghana and the MUHTA Program. In this regard, Prof. Banchong Mahaisavariya, the President of Mahidol University, and Dr. Bernard Okoe Boye, Chief Executive Officer, NHIA of Ghana, signed the MoU. The MoU is created to promote the collaboration of academic exchanges and development in health technology assessment between the staff and personnel of NHIA of Ghana and MUHTA Program. Moreover, the Health Technology Assessment Program has collaboration not only with the Faculty of Medicine, Siriraj Hospital, but also with the Faculty of Medicine, Ramathibodi Hospital, Faculty of Public Health, Faculty of Social Sciences and Humanities, Institute for Population and Social Research, and Faculty of Graduate Studies. In addition, it responded to the SDG's Goal 4th: Reduce inequality within and among countries, Goal 10th: Reduce inequality within and among countries, and Goal 17th: Partnership for the Goals to strengthen the means of implementation and revitalize the global partnership for sustainable development.
