

Dean Chuthamanee welcomed Prof. Adelheid H. Brantner from Austria

Nov 19, 2008

Dean Chuthamanee cordially welcomed Professor Dr. Adelheid H. Brantner, an expert in the field of Phytochemistry and Pharmacognosy from Institute of Pharmaceutical Sciences, Pharmacognosy, University of Graz, Austria during her visit to MUPY. The objective of Prof. Brantner visit is to discuss about the opportunity for research and student exchange between the two faculties. The meeting was on 19 November 2008. In addition, Prof. Brantner kindly gave lecture on "Medicinal Plants and Natural Compounds for the Prevention and Therapy of Age Related Diseases" for faculty members and graduate students at Rm. 701 on Ratcharat Building. □□
