Nov 29, 2008

MUPY celebrate \"the 30th anniversary of the establishment of the MUPY Alumni Association\" on 29 November 2008. The celebration was started in the morning by offering food to monks at the Priest Hospital. Afternoon activity includes a seminar related to role of pharamcists by a number of renowned speakers. In the evening, MUPY alumni enjoyed shows and party throughout the night. We were pleased and honored by participations of those who help establish the faculty since the begining.
