

MUPY welcomed pharmacists from Lao People Democratic Republic

Feb 02, 2009

MUPY staff welcomed pharmacists from the Lao People Democratic Republic who are here for their 5-week training under the supervision of MUPY. This project is supported by Her Royal Highness Princess Maha Chakri Sirindhorn as a humanitarian project aiming to assist the Lao People Democratic Republic to improve their healthcare system. Mahidol University has been the core group to provide service this initiative of the Princess for approximately 10 years.
