Feb 07, 2009

MUPY actively participated in MU Wichakarn 2009 which was held from February 6 to 7, 2009 at Salaya Campus. MUPY joined various activities such as MU Open House, MU Exhibition, MU Hospital, MU Admission 2009. A large number of highschool students and people visited and enjoyed MU Wichakarn 2009. Thanks to the hands of a number of our faculty members and our students, all activities went well and clearly showed an excellent representation of MUPY.
