

## Professors from Free University of Berlin visited MUPY

Feb 24, 2009

Prof. Rainer Muller and Assist. Prof. Connelia Keck from Free University of Berlin, Germany visited MUPY. The connection is through Assoc. Prof. Varaporn Junyaprasert and her graduate student. In this occasion, German professors gave lecture to graduate student and MUPY staff and also met with Dean Chuthamane and other staff to discuss additional potential collaboration in the area of nanotechnology.
