

MUPY staff offered medicinal plant textbook to Her Royal Highness Princess Sirindhorn

Nov 10, 2009

Prof. Anon Boonyaratawet, the Secretary General of the National Research Council, Prof. Piyasakol Sakolsatayatorn, MU President and Assoc. Prof. Noppamas Soonthorncharoenon and Assoc. Prof. Nongluck Ruangwises, two of MUPY distinguished staff presented a book called Quality of Thai Herbal Medicine from Research to Sustainable Development to Her Royal Highness Princess Sirindhorn. This book is a valuable addition to the movement to promote the development of Thai Herbal Medicine from alternative medicine to mainstream clinical use. The actual event occurred on 10 November 2008.
