

MUPY student association reached out to help rural community.

April 12, 2009

MUPY student association provided support for the development of rural area during 12-18 April 2009. This project has been an annual event aiming to provide students with an opportunity to serve the community and understand the hardship of Thai people in the rural area. This year, the project was at the Nongkuen School in Utaithanee province.
