

MUPY educated the public about drug allergy

May 20, 2009

MUPY held a series of monthly public education program to promote MUPY drugstore. On 20 May 2009, Assistant Professor Pramote Trakulpienkit, an expert on drug allergy from the Clinical Pharmacy Division, Department of Pharmacy, served as a speaker on drug allergy. The aim of this talk is to promote accurate understanding toward drug allergy and provide education on how to deal with drug allergy.
