

MUPY admin team meets MUPY people.

July 21, 2009

MUPY people gathered together to meet in the administration team. Leading by Dean Chuthamanee Suthisisang, each administrator presented their works during the past 8 months after assuming their positions to MUPY people. This is a platform of communication where administrators and MUPY people learn more about the present and future of our institution. Comments, questions and suggestions can be openly discussed with the aim to guide MUPY into the right direction. This event was held on 21 July 2009.
