

MUPY signed an MOU with Siam Pharmaceuticals, the prominent local pharmaceutical manufacturing plant.

July 23, 2009

MUPY secured a collaboration with Siam Pharmaceutical, the largest private local pharmaceutical company in Thailand. The collaboration will benefit both teaching and clerkship rotation of undergraduate and graduate students along with strengthening up MUPY research network. This is an important step toward excellence in teaching and research of MUPY. Dean Chuthamane Suthisang, Assoc. Prof. Suwatna Chulavatnatol (Deputy Dean for Academic Affairs) were the signers of this MOU. For Siam Pharmaceuticals, Mr. Thawan Chuenkarndee (President) and Ms. Wipada Chuenkarndee (Vice President) were the signers. Assist. Prof. Preecha Montakantikul and Assist. Prof. Surakit Nathisuwan (Assistant Dean for International Relations) witnessed this historic event which was held on 17 July 2009.
