

MUPY held a smoking cessation campaign in Nakornnayok

Aug 15, 2009

MUPY Student Association held an activity to promote better health for Thai people during 15-16 August 2009 at Nakornnayok province. The main activity is to promote smoking cessation in the community. This event also served as an event where faculty members, alumni and students joined hand and get to know each other which help promote unity among MUPY people.
