

MUPY teamed up with the Association of Hospital Pharmacists (Thailand) to hold a major national pharmacy conference.

Oct 14, 2009

MUPY and the Association of Hospital Pharmacists (Thailand) joined hand to hold the Advances in Pharmacotherapeutics and Pharmacy Practice 2009, an annual meeting with the focus to promote hospital pharmacist's role in providing pharmaceutical care to various patient groups. This meeting was very well attended by over 500 pharmacists nationwide.
