

Office of Student Affairs held a career choice day for MUPY students

Oct 21, 2009

The Office of Student Affairs partners with the Government Pharmaceutical Organization, Study Oversea Centre, Siam Pharmaceuticals, Roche and Drug Store Company to held a career choice day for MUPY students. This is a part of the Office's attempts to provide students with better understanding toward their career path in various sectors of pharmacy job market. The program was on Wednesday 21 of October 2009 which was very well attended by a large number of students.
