

New Year Party for MUPY

Dec 29, 2009

MUPY held a New Year Party for all its staff on 29 December 2010. The event started off in the morning with boon-making through offering living necessity to monks. Subsequently, a party began around 11.00 first with award presentations to MUPY staff who provided distinguished services to the faculty. The next merry event was a lucky draw which not only drew gifts but also laughs and joy for all MUPY staff, followed by a highly entertaining karaoke by our staff whose talents are not limited to official task but also singing skills.
