

Assoc. Prof. Wandee Gritsanapan received 2009 International Alumnus Award from University of Queensland

2009 International Alumnus of the Year  
a Vice Chancellor's Commendation

Jan 04, 2010

Assoc. Prof. Wandee Gritsanapan, a quality researcher and educator of the Department of Pharmacognosy, received a prestigious 2009 International Alumnus of the Year Vice Chancellor's Commendation from the University of Queensland, Australia. Dr. Wandee won this award based on her outstanding and prolific contribution in the field of Pharmaceutical Sciences. During the award presentation, the organizing committee showcased some of Dr. Wandee's many achievements which impressed the hearts and minds of the audience. MUPY cherishes her contribution and congratulate her on this deservedly won award. Congratulations!!
