

## MUPY hosts a national meeting on Pharmacy and Therapeutic Committee Network

Jan 21, 2010

Assoc. Prof. Chaoncin Sooksriwong (Department of Pharmacy) along with staff from the Department of Pharmacy held a national meeting on Pharmacy and Therapeutic Committee Network. This project is funded by the National Health Security Office. The project aims to create a network of PTC to promote rational use of medication in the country. Approximately 100 hospital administrators participated in this event.
