

## MUPY signs an MOU with University of Graz

Feb 17, 2010

Professor Dr. Adelheid H. Brantner, a world expert in Phytochemistry and Pharmacognosy visited MUPY to sign an MOU with MUPY. Prof. Brantner is from the Institute of Pharmaceutical Sciences, Pharmacognosy, University of Graz, Austria. Prof. Brantner has been collaborating with Assoc. Prof. Wandee Krisanapun for many years. The student exchange and research collaboration has been consistent and fruitful to both sides. The signing of this MOU is a result of such collaboration and expansion of collaboration is expected to grow with years to come.
