

MUPY staff joined hands to promote integration of 6 year curriculum.

April 28, 2010

MUPY staff participated in the meeting with the focus on integration of newly established 6 year curriculum and development of examination blue print. These efforts are parts of MUPY initiatives to ensure quality education provided by our institution to pharmacy students. This project is led by Assoc. Prof. Suvatna Chulavatnatol, the Associate Dean for Education. For this event, external speaker was Assoc. Prof. Supamas Ungsuchot from Sukhothai Thammathirat University, a national expert on education. During the meeting, various activities occurred with a lot of beneficial exchanges and brainstorming. In addition, cultural promotion and relationship-building activities were also incorporated in this 3 days meeting. The meeting was held from 28-30 April at Cozy Beach Resort, Pattaya.
