

MUPY warns the public of danger with diet pills.

June 04, 2010

Dean Chuthamanee Suthisisang provided an interview to a TV3 Channel reporter, Mr. Chayat Mookdaharn, about the danger of anti-obesity medications. When used inappropriately without supervision from an expert, a variety of adverse effects may occur, some of which, can be deadly. This is in response to the recent news of a tragedy to high school girl, who died from taking diet pills. The interview was on aired through TV3 Channel on 4 June 2010.
