

MUPY received top research award from the Thailand Research Fund.

June 09, 2010

The results of the Research Quality Assessment of Academic Disciplines in Thai Universities by the Thailand Research Fund have been formally announced. MUPY is ranked at the top of Pharmacy Schools in Thailand on research with the highest marks on all 4 criteria including equivalent international journal papers/faculty member, impact factor/faculty member, equivalent international journal papers and impact factors. Assoc. Prof. Waraporn Junyaprasert, the Assistant Dean for Research, participated in the award ceremony and received this prestigious award on behalf of MUPY. This event was held on 9 June 2010 at the Asia Hotel in Bangkok. Congratulations for another big success for the hardwork of MUPY community!
