

Vice Chancellor of the Royal University of Bhutan visited MUPY.

May 30, 2010

Prof. Pema Thinley, the Vice Chancellor of the Royal University of Bhutan, along with his staff visited MUPY on 30 May 2010. This visit is made possible by the co-ordination of TICA. The purpose of this visit is to find a collaboration from MUPY to support the advancement of pharmaceutical research and education in Bhutan. This will mostly be done through the financial supported granted by the WHO to the Royal University of Bhutan.
