

## Strategic planning on student development

June 15, 2010

MUPY places student development as one of our top priorities. On 15 June 2010, a meeting was held to brainstorm a plan to promote student development for MUPY students. For this meeting, MUPY invites an expert on strategic planning, Dr. Rat Thanadirek, and a group of forerunner in pharmacy field including the President of the Pharmacy Council, Assoc. Thida Ningsanont, Dr. Somchai Tonabut and Ms. Sukanya Awisinghanon, to provide their guidance and feedback on this task. The MUPY administrative committee along with student association attended the meeting.
