MUPY signs an MOU with hospitals, clinics and institutes under the supervision of the Department of Medical Services or DMS, Ministry of Public Health. This is an excellent partnership which is instrumental in the advancement our Doctor of Pharmacy curriculum. Since hospitals and institutes under DMS are very unique and cover a wide range of important patient population, MUPY students will get an excellent opportunity to practice under such environment. □□□□ In addition, the collaboration also aims at collaborative research and development of advanced pharmacy services which would need expertise from MUPY well qualified staff to accomplish. This event was presided by Prof. Piyasakol Sakolsatyadorn, MU President and Dr. Raewat Wisutwet, Director of DMS. This event was broadcasted through numerous public media of the country.
