

MUPY signed an MOU with Faculty of Tropical Medicine, Mahidol University

Dec 17, 2010

MUPY signed an MOU with Faculty of Tropical Medicine, Mahidol University. This ceremony was officially held at Chalermprakit Conference Room, 5th Floor Chalermprakit Building. The main purpose of MOU is to develop the competency as in bilateral agreement including to improve the pharmacy system in Tropical Medicine Hospital. Moreover, the patient-based students in the 6-year curriculum will beneficially integrate and practice all clinical skills during the rotation. This significant collaboration is also expected in the growth of medical or pharmaceutical research and to offer the best service in our community.
