

Special lecture on Clinical Trial

Mar 17, 2011

MUPY cordially welcomed Dr. Joan Haughton, Senior lecturer in Clinical Trial Research from Cranfield University, Director, Clinical Trials Group, Royal Free and University College, London, UK. She gave a special lecture entitled "Is it safe and effective? The Ultimate question in the drug discovery process" and "Communicating findings from research" to MUPY graduate students. This valuable lecture was coordinated by Assoc. Prof. Wandee Gritsanapan.
