

MUPY GLP laboratory was accredited to the ISO/IEC 17025 : 2005

April 19, 2011

Congratulations to MUPY GLP laboratory which was officially declared to meet the ISO/IEC 17025 : 2005 standard accredited by Bureau of Laboratory Quality Standards (BLOS) in accordance with the expansion on product analysis. This accreditation will be lasted until 16 March 2014. □□□□ On this success, MUPY would like to thank all staffs and working committee for their dedication and cooperation. Indisputably, this accomplishment led MUPY to nationwide recognition.
