

MUPY Dean cordially welcomed pharmacists who attended the training program of medical technology and public health for health professionals from the Lao People's Democratic Republic

Feb 06, 2012

Assoc. Prof. Chuthamane Suthisisang, our MUPY dean, cordially welcomed pharmacists who attended the training program of health technology and public health for health professionals from Lao on February 6, 2012. The training program has been initiated by HRH Princess Maha Chakri Sirindhorn's. Maha Chakri Sirindhorn and continuously provided by MUPY on an annual basis. The objectives are to increase the knowledge and skills in health promotion and prevention, to strengthen and develop the public health, and to exchange the knowledge and experience in the development of medical technology and public health.
