

MUPY signed MOU with Kyoto Pharmaceutical University, Japan

Nov 08, 2012

Dean Chuthamanee Suthisang, Assit. Prof. Usa Chaikledkaew, Assoc. Prof. Noppamas Soonthornchareonnon, and Dr. Natthinee Anantachoke honorly visited and participated in the MOU signing ceremony between Kyoto Pharmaceutical University, Japan and Faculty of Pharmacy, Mahidol University. The purpose of this agreement is objected to bilaterally strenghthen the collaboration to accomplish the academic and researach excellence. Moreover, all staff also visited the facilities for pharmacy education such as similation lab for Pharm.D students, library, etc. as well as discussed our mutual topics of pharmacy education and□□research. This MOU will definitely lead to fruitful outcomes for both sides, promote understanding between two nations and lead to an important advancement in pharmacy education and research. All MUPY staff were very impressed by a very warm welcome and hospitality from all administrative committtees at Kyoto Pharmaceutical University.
